mel@derreverelaw.com

Morgan E. Long is a graduate of Florida State University, where she received a Bachelor of Science degree in International Affairs. She then went on to obtain her Juris Doctor degree from Nova Southeastern University. While in law school, Ms. Long participated in the Environmental and Land Use Law Clinic, where she interned as a legal assistant to the City Attorney of Lake Worth, Florida.

Ms. Long has extensive experience representing lenders in circuit court foreclosure cases and municipal code enforcement. She also has experience representing medical providers in personal injury protection matters. Ms. Long currently focuses on subrogation recovery and insurance defense. She has a continued interest in local land use and development law.
